A SUNDAY AFFAIR: DELILAH'S DECEPTION

Standalone | Adult Contemporary Fiction

Candace Nicole delivers a bold and provocative tale of faith, desire and hidden truths. A Sunday Affair: Delilah's Deception follows Delilah Battle, a pastor's wife whose picture-perfect life conceals a secret that could unravel everything. Set within the high-stakes world of church leadership, Candace Nicole masterfully explores the tension between duty and authenticity as Delilah navigates the weight of expectation, the pull of forbidden longing and the cost of living behind a mask. Raw, compelling and unapologetically honest, this story challenges readers to question what happens when the life you are living isn't the life you were made for.
